

Quality Inspection List

#2089620

Date: 17.07.2025

Product ID	CE-905L	Customer ID	GREECE
Item Description	LED Light Strip		

Check that inspection steps follow the approved procedure. Ensure all non-conforming marks are clearly documented. All checklist entries are timestamped for traceability. Please review each checklist point and mark the sampling results. Archive this list in the quality-management system. Confirm that sampling levels comply with customer agreements. This summary supports the production-release quality gate. This section details quality requirements and test points for the batch.

	Quality Check Items	Sampling Level	Classification				Remarks
B	Component Criteria		CR	MA	MI	Hold
