

Quality Inspection List

#4028624

Date: 17.07.2025

Product ID	TX-820V	Customer ID	FINLAND
Item Description	Thermal Fuse		

Below are the items to be verified during the final product review. Archive this list in the quality-management system. Ensure all non-conforming marks are clearly documented. This summary supports the production-release quality gate. Confirm that sampling levels comply with customer agreements. Please review each checklist point and mark the sampling results. All checklist entries are timestamped for traceability. Refer to the quality register for sampling-plan references. Entries include both visual and functional inspection items.
