

Quality Review**#4977989****Date: 17.07.2025**

Product ID	BZ-660F	Customer ID	TURKEY
Item Description	Battery Pack		

Ensure all non-conforming marks are clearly documented. Refer to the quality register for sampling-plan references. Below are the items to be verified during the final product review. Confirm that sampling levels comply with customer agreements. Please review each checklist point and mark the sampling results. This closure summary indicates compliance with inspection criteria. Check that inspection steps follow the approved procedure. This section details quality requirements and test points for the batch. This checklist captures quality inspection points and sampling levels. Use this list to confirm adherence to AQL and safety standards.
