

# Product Overview

Document No.: PR-980

Product ID: PW-515Y

Date: 2024-05-02

|                    |                      |                    |                               |
|--------------------|----------------------|--------------------|-------------------------------|
| Configuration Type | Hydraulic Power Unit | Design Pressure    | 180 bar                       |
| Flow Rate          | 75 L/min             | Voltage            | 230 V / 50 Hz                 |
| Oil Type           | HLP 32               | Dimensions (LxWxH) | 1200 x 700 x 1100 mm          |
| Protection Class   | IP54                 | Noise Level        | ≤ 68 dB(A)                    |
| Battery Capacity   | 2 Ah                 | Filtration         | 10 µm return, 25 µm suction   |
| Total Weight       | 230 kg               | Mounting           | Skid base with vibration pads |

| Component Materials Overview: |                   |                   |
|-------------------------------|-------------------|-------------------|
| Subcomponent                  | Raw Material      | Specification     |
| Wooden Pallet                 | Treated Pine Wood | Class A tolerance |
| Teflon Tape Roll              | Teflon Tape Roll  | CE certified      |
| Digital Display Unit          | ABS Plastic       | RoHS compliant    |
