

Unit Data Specification

Report No.: 8265959

Product ID: RE-850C

Date: 2024-08-30

| | | | |
|-------------------------|------------------------|------------------------|---------------|
| Model Type | Pneumatic Control Unit | Design Pressure | 300 bar |
| Flow Rate | 48 L/min | Supply Voltage | 400 V / 50 Hz |
| Service Interval | 500 h | Total Weight | 230 kg |
| Charging Time | 6 h | Mounting | Rack frame |
| Protection Class | IP54 | | |
