

Inspection Summary

#5753192

Date: 17.07.2025

Product ID	RE-850C	Customer ID	GREECE
Item Description	LED Light Strip		

The following table outlines inspection criteria and classification levels. This summary supports the production-release quality gate. Please review each checklist point and mark the sampling results. Refer to the quality register for sampling-plan references. Confirm that sampling levels comply with customer agreements. Check that inspection steps follow the approved procedure. This checklist captures quality inspection points and sampling levels.

	Review Points	Sampling Level	Category				Remarks
